SENSORY MAP OF TEKNISK MUSEUM

For finding quieter and uncrowded spaces, and natural and low lighting areas

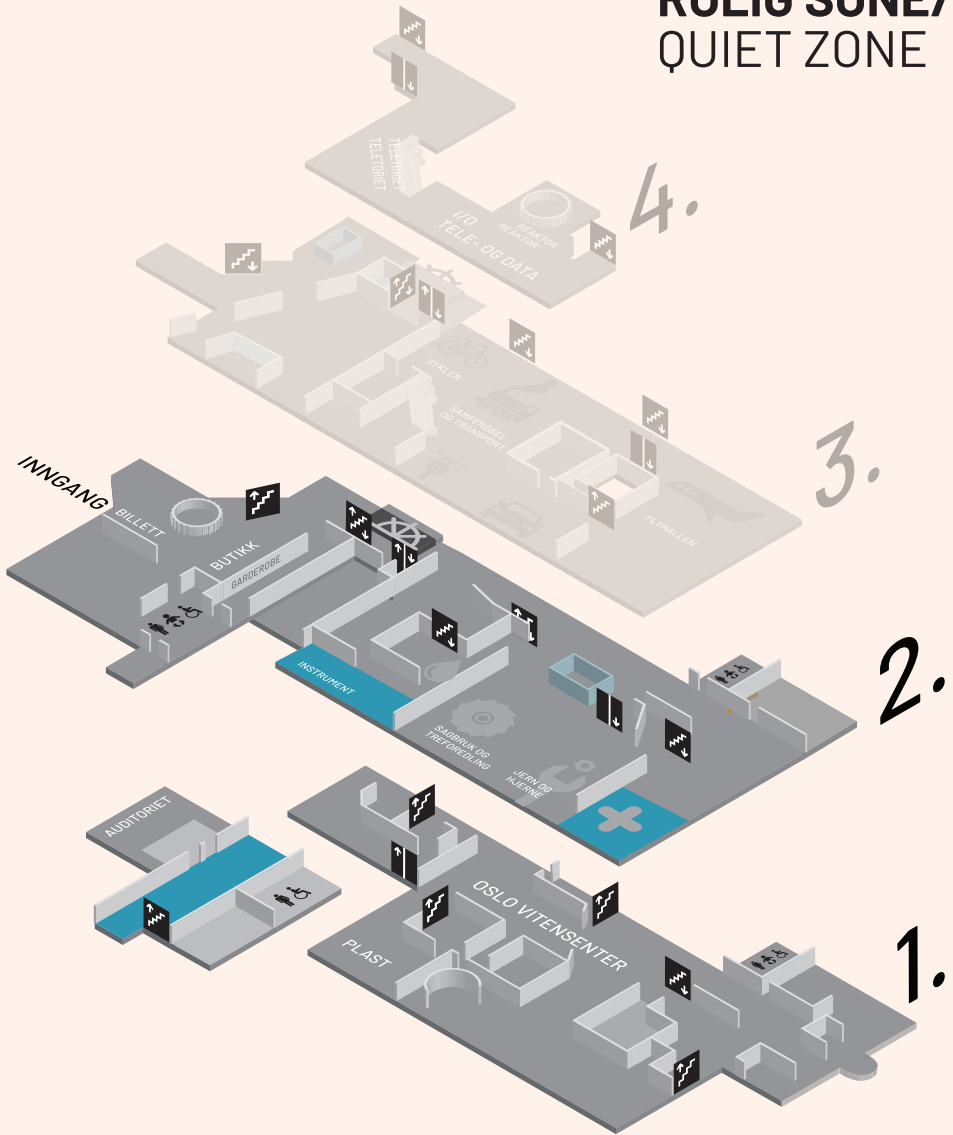

INTRODUCTION

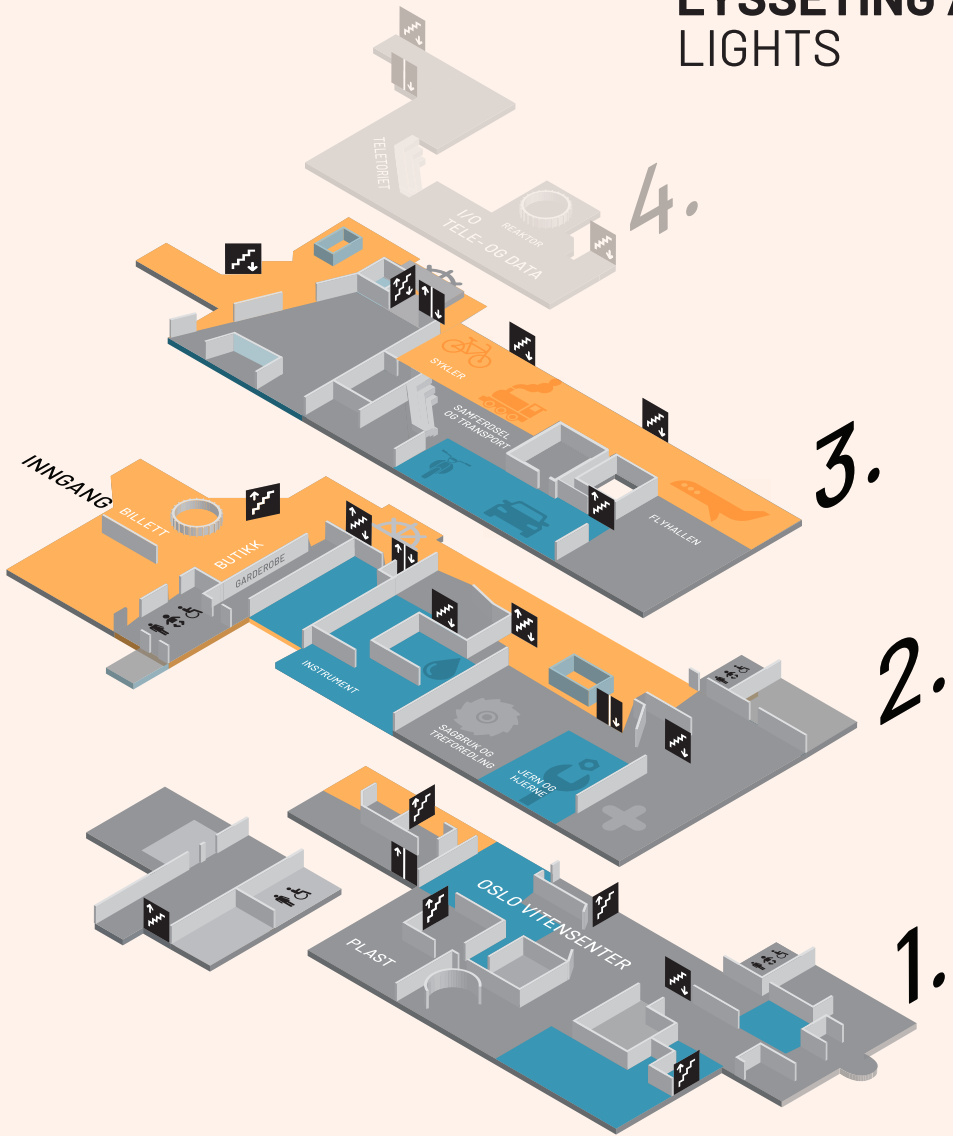

Welcome to Teknisk Museum. You can use this Sensory Map to identify sensory friendly spaces within the Museum. Use this as a guide for finding spaces that tend to be quieter and less crowded, and spaces with low or natural lighting.

Please keep in mind that as the Museum's building and exhibitions change, parts of this map may not always be up to date. Use the sensory map as a guide for finding spaces that will likely be quieter and less crowded and as a guide for finding areas with low or natural lighting.
